About GoldenLion

GoldenLion started its journey in 2010 with a goal to help small and mid-sized organizations multiply their sales revenue by putting in place structured sales processes combined with deployment of world-class sales tools.

With this goal in mind, GoldenLion became an Alliance Partner of Zoho Corporation in 2011 in order to deploy Zoho suite of on-demand productivity and collaboration applications amongst these organizations. Over the years GoldenLion has emerged as one of the top consulting partners of Zoho worldwide.
