Testimonials

"I contacted GoldenLion Consulting for my Zoho CRM customization and they have been nothing but absolutely awesome.

When I initially went about searching for a company to do my Zoho CRM customization, I did contact 5 to 6 different companies and GoldenLion Consulting stood out right away. Arnab from GoldenLion actually took the time to understand my business and to see how my booking process works and provided great customization solutions that fit my business needs.

I am very happy with the end result. I now have a Zoho CRM custom fit like a glove to the way I run my business.

I would highly recommend GoldenLion Consulting, Arnab and his team for any of your customization. Thank you Arnab, Sourav, Debraj and those that I didn't get to directly interact with but were behind the scenes working on my project for the awesome customized solution you have provided for my business.

I wish Arnab and his team continued success and I will definitely be contacting them for any future customization requirements that I may need as my business grows"
