Testimonials

Epping Property has been exceptionally impressed with the way GoldenLion has managed to customise Zoho to work with our real estate business.

Every single member of the GoldenLion team that we have come into contact with has been very personable, professional and knowledgeable. We would highly recommend GoldenLion to anyone wanting to take Zoho to a new level!

Tony Bales, Dealmaker, Epping Property

I have just migrated to GoldenLion's Real Estate CRM which is built on the Zoho CRM.

I am very impressed with the GoldenLion Team and their commitment to customize their Real Estate CRM to work perfectly in line with my process and to get me up and running as quickly and seamlessly as possible.

I now have a 360 degree view of my contacts, properties and related interactions. The saving in time and increase in my productivity will give me a fantastic ROI on my investment with GoldenLion.

I now have a cost effective platform to scale my business to its optimal level.
